**Re: Power of Attorney and Corrected Application**

Sir:

Attached is a power of attorney in favor of me, Madeline Mishel Hauptman, so I can prosecute this application on my own signature.

Also enclosed is the corrected Patent Application as requested in the enclosed "NOTICE TO FILE CORRECTED APPLICATION PAPERS" mailed from the Initial Patent Examination Division on February 13, 2001.

The enclosed formal application has all the requested corrections. Please substitute this newly printed copy of our patent for the informal one previously filed. This new specification is 7 pages and there are 3 pages of substitute drawings with appropriate margins and labels which are electronically reproducible.

The corrections have been submitted within the given time of TWO MONTHS. We trust this formal patent application is now ready for examination by a Patent Examiner.

Respectfully submitted,

*Madeline Mishel Hauptman*
